Subject: Non receipt of Recordation of Patent Grant mailed on 04/06/2004

Honorable Sir,

I thank the Official who spoke to me yesterday when I called 703 305 8263 regarding non-receipt of Patent Grant in my case. I understand that till now the Patent Grant mailed by the Office on 04/06/2004 has not even been returned to the Office. I request the Office to please mail the said letter again if it gets returned due to some postal problems in India. However, I am permanently staying back at my address in order to ensure safe receipt of the said grant if it happens to get delivered after considerable delay. I shall make inquiry from the 703 305 8263 after a week, thereafter I shall make a petition for a copy of the grant.

You can reach me on 91 11 30903576 round the clock. I received three fax calls on the number half an hour ago. It seems there is some technical problem with the VLL telephone and it is unable to respond to a fax message. If somebody from the Office tried to send a fax, I express sorrow over my inability to receive the fax. However the Office can definitely use a service provider's number to send a fax message to me. This FAX No. 91 11 27315473 can be used any time for sending a fax to me.

Thank you,

Yours faithfully,

Anadish Kumar Pal
